Turnaround time for screen printed goods is currently 12-15 business days. Anything below 12-15 business days will be subject to a rush fee. Turnaround time for embroidered goods is 15-20 business days. Mockup images are artist renderings and not necessarily to scale.

All orders are subject to a 3% spoilage due to garment issues such as holes, tears or stains present when we receive them from the vendor. Issues may also arise when printing, including screens tearing or print quality not passing our QC expectations. If you need the exact numbers of shirts above, let your salesperson know.
